

Words from the President

Charlene Cook
2010 Club President.

It is a great time to be a Nole! Congratulations to our FSU baseball team on making it to Omaha for the second consecutive appearance in the College World Series.

The Jay Abraham Wine Gala and Golf Tournament were an even greater success this year. Thanks to Nick Shoults, Kevin Wortmann and Levene Abraham who gave many hours of their time to organize both events. Three students at the Dedmon School of Hospitality were awarded \$2500 each in scholarships. New this year was an additional three \$500 memorial scholarships. Another "first" was a printed program that listed the benefactors, contained pictures of the 3 recipients and their career goals, and showed pictures of all the past winners from 2002 to 2009. Additionally, the program gave credit to the industry supporters, as well as pictures of those industry family and friends who had passed away and for whom the additional scholarships were given. The colorful program added tangible value to the event and gave participants a quality summary of the cause they were supporting. Special thanks to Jerry Rothstein, the JSC Scholarship chair. Jerry coordinated between the JSC and FSU to make scholarships available to qualified students.

It is with great anticipation that we Noles look forward to the Fall when our club events become more frequent and provide a time to reunite with our Jacksonville Seminole family. In the works is a **New Student Reception, JSC Gene Deckerhoff kickoff party**, as well as **another**

THE JACKSONVILLE SEMINOLES ANNOUNCE A BETTER ECONOMIC STIMULUS PLAN!

With the addition of a new membership category of Corporate Member, the Jacksonville Seminole Club is ready to jump start your business by focusing the buying power of all Florida State supporters and alumni in the greater Jacksonville area on your company's products and services.

This is a great opportunity for Noles to help Noles in a down economy. Each Corporate Member receives a monthly listing in the Seminole Signals newsletter. Each JSC member receives a membership card identifying them as a Jacksonville Seminole. By offering a discount to JSC members and requiring them to present their membership card to receive the discount, you will see the value of your Corporate Member sponsorship and the visibility it provides to your business month after month.

This is a win-win proposition for all Jacksonville area Seminoles! Each member benefits from discounted products and services. The Club benefits by providing another reason to join the JSC. Your company or business benefits from additional sales as a result of your increased visibility within the FSU community and you can see the value of your Corporate Membership when local Seminoles present their membership card with each purchase.

If you own or manage a local business, please give serious consideration to your business becoming a Corporate Member, then fill out the enclosed Membership Application and let the Seminoles help your business succeed. A Board Member will be in contact with each new Corporate Member to work out the specifics of your listing.

combined Booster and JSC event similar to our February event at Maggiano's. We will have the details firmed up in time for our July newsletter. You may get advanced info by visiting www.jaxnoles.com as well as Facebook.

Club members will soon receive a credit card size **membership card**. These cards will be passed out in one of our upcoming meetings. One card will be available per family. Board members have outlined our corporate membership requirements and member businesses may join at the \$50 level. Complete the club membership application form and return it to the address listed on the form along with your payment (or use PayPal). You will be contacted by one of the board members to get further information about the level of discount that will be afforded members. Your business icon or written information will be shown in our newsletters. In order to receive a discount, members must show proof that they are a JSC member. This proof may be either the card or a membership badge.

Speaking of **club membership**, it is time to renew your membership, if you have not already done so. Included is the form that should be completed and mailed to the club PO box, as was outlined in the previous paragraph. Club membership affords you reduced admission charges for meetings where there are room or food costs to the club, gives you discounts at corporate sponsor businesses, allows you to ride the bus at the season discounted rate, and a chance to win a scholarship for your FSU bound or presently enrolled child. These are just a few of the advantages of club membership. **Don't delay - join today.**

Cardullo Fires Up Seminoles After Home Run Against Florida in CWS Game 5

Watching the Florida State Baseball Seminoles here in Jacksonville this past March beat down the Gators for a **3rd straight year**, I thought, "Nothing could be better than this!" But... I was wrong! Watching the Seminoles take down the Gators at the CWS in Omaha and providing the Gators an opportunity to experience "**0 and 2 and BBQ**" is really **much** more satisfying.

Our next Bowden Road cleanup is **Saturday, July 17th at 9 AM**. Mark your calendar and come out for a fun time and light workout as we walk and pick up trash along Bowden Road. We start early in the day to avoid some of the summer heat.

For August, our project focus is "Stuff the Bus". Bring school items to any of our August meetings, as well as to our combination JSC and Seminole Boosters event on either August 31st or September 1st

Bus News/Spring Game Info

John Cook,

Bus Trip Co-Chair

We are in the process of finalizing the necessary arrangements for all 7 of our home games for the upcoming football season. Due to the lower gas prices of March and reduced travel based on the economy, we have been able to maintain the same rates with the same bus company as last year. The cost per game for a **season bus** seat will be \$30 per seat (7 X \$30 = \$210). Seats for individual games will once again be \$36 per seat/per game with a **required club membership**. We have negotiated with the Baptist Medical Center to maintain our traditional staging area as in the past. The club will start collecting payment for season riders (club membership required) from July 1st through July 31st. Beginning August 1st, payment will be taken on a first come, first serve basis for the remaining bus seats at \$36.00 per game. **No season bus seats will be sold after July 31st.** Any questions contact J. Cook at jcookkbee2@aol.com or cell phone 904-403-1432. We are looking forward to a great season and a bus trip to a major bowl game.

You can **mail a check** made payable to the Jacksonville Seminole Club (JSC) for \$210.00 for your season bus pass anytime during the month of July to:

JC/JSC

8156 Westport Road

Jacksonville, FL 32244-5506

Please do **not** pay for your season bus seats online at Paypal and do **not** mail your checks to the club's P.O. Box.
